

PHOTOGRAPHER POLICY

As a customer on the farm, you are more than welcome to take photos while at the farm if paying admission for Fall Fun or purchasing a Christmas Tree.

If you are a photographer who collects payment for your photos from clients, we ask you to follow the below policy. Feel free to reach out to us if you have any questions.

Fall Fun Season:

- You may only take photos during normal business hours.
- You and all clients/guests must pay the regular admission fee (2 years of age and under are free). As part of the admission fee, you and the clients are welcome to enjoy the activities as well.
- You must bring a copy of your liability insurance, your name, phone number and clients' names to the admission area upon arrival when paying admission(s).
- Please leave the area of your photo shoot as you found it.
- Please do not monopolize areas of the farm in such a manner other guests are unable to enjoy the areas as well.
- Please abide by these rules, for you, your clients' and our safety and enjoyment.

Christmas Trees:

- Please contact Angela at 608.628.2435 or familyfun@enchantedvalleyacres.com to book 4 hour slot. We typically book these the first 2 weekends in November.
- \$100 per 4 hours is charged. \$25 will be charged for each 15 minutes spent beyond the 4 hours booked.
- Our activities from the fall are popular but **please note**, for these sessions we are not open to the public and we are actually in process of taking activities down and setting up Christmas Tree supplies/equipment, ***so the activity area is off limits***. You are responsible in communicating to your clients they are not allowed in the activity areas (including giant slides) due to risk of injury since we will have potentially machinery (tractors) working those areas.
- You must send via email a copy of your liability insurance, your name, phone number and clients' names at least 24 hours in advance of the sessions.
- Please leave the area of the photo shoot as you found it.
- Please abide by these rules, for you, your clients' and your safety and enjoyment.

If you have any questions regarding photography, please feel free to contact us at 608.628.2435 or familyfun@enchantedvalleyacres.com Thank you.
